3. NOMINATIONS

- Nominations for the Auction will close on Friday 18th August 2017 at 4.00 pm with GRSA.
- The official Auction nomination form must be completed in full including all breeding details and pedigree comments. If a greyhound's earbrand and microchip has not been completed at the time of nomination, please specify on what date this will be done.
- The description, either as to quality, pedigree, engagements or otherwise for any lot offered is supplied by the Vendor who alone is responsible for its accuracy and the Auctioneer shall not be liable for any error in such description.
- The Adelaide Greyhound Racing Club recommends that you (as nominator) of a greyhound/s in the 2017 Industry Puppy Auction seek your own/independent CPA advice in respect of any GST requirements arising from the sale.

4. CONDITIONS OF SALE

- The Auction will be a 'Reserved Sale' auction. Reserve cards will be mandatory. The Vendor must advise the Auctioneer in writing of the reserve price for each lot before the lot is offered for Sale. Where no reserve card is provided the Vendor or his representative must attend in the Auctioneer's rostrum to advise the Auctioneer and will be required to sign a reserve card before leaving the rostrum. If there is no bid or does not reach the reserve, the lot will be passed in and the Vendor is to pay commission on the reserve price (on the day) should the Vendor wish the lot to be eligible for the race series' and exemptions.
- If the Vendor does not wish to pay the commission, the greyhound will not be eligible to compete in the race series' or be eligible to receive the exemptions in regards to Grade 6.
- A bid cannot be made or accepted after the fall of the hammer unless the Auctioneer decides to put the lot up again as a result of a disputed or void sale.
- The last price called by the Auctioneer at the fall of the hammer shall be the amount at which the lot has been sold.
- In the event of a disputed bid, the Auctioneer is the sole arbitrator of the successful bidder or the Auctioneer may decide to put the lot up again.
- The Auctioneer may refuse to accept a bid which, in the Auctioneer's opinion, is not in the best interests of the vendor and need not give reasons for doing so.
- A bidder shall be deemed to be a principal unless, prior to bidding, the bidder has given to the Auctioneer a copy of written authority to bid for or on behalf of another person.
- The successful bidder at the auction sale must give to the Auctioneer at the fall of the hammer the bid card number which identifies the purchaser.
- As soon as practicable after the fall of the hammer, the buyer shall if requested by the agent, sign the agreement for sale.
- If the purchaser fails to comply with any of these conditions, the lot or lots in respect of which such failure is made, may, if the Auctioneer thinks fit, be put up again and resold. If upon such resale a lower price is obtained for any such lots than was obtained upon the first sale the difference in price shall be a debt due from the purchaser in default upon the first sale.

5. OUTSIDE SALES

- A lot entered for sale at the Auction may be sold outside the Auction only in accordance with the following provisions:
 - No lot shall be sold privately prior to the Auction without the Auctioneer's prior written consent.
 - In the event of any prior sale the Auctioneer shall be entitled to commission as if the lot was sold under the hammer. The Vendor is to pay to the Auctioneer the commission on the average sale price on the day of the sale.
 - Any lot passed in at the Auction shall, unless the Auctioneer waives this condition, remain on sale for a period of seven (7) working days after the date on which the Auction is advertised to be held.
